**CONSENT AGREEMENT**

Complainant, United States Environmental Protection Agency, Region 8 (EPA), and Respondent, Tom Simpson doing business as Simpson Honda, by their undersigned representatives, hereby consent and agree as follows:

1. On May 15, 2005, EPA issued a Final Class V Underground Injection Permit MT50985-06598 (the Permit) to Tom Simpson, Respondent, owner of the Simpson Honda facility, located at 8450 Huffine Lane, Bozeman, Montana.
2. EPA issued to Respondent a Proposed Order and Penalty Complaint with Notice of Opportunity for Hearing (Complaint) filed on September 27, 2006, alleging certain violations of Part C of the Safe Drinking Water Act (SDWA), 42 U.S.C. § 300h et seq., relating to underground injection controls (UIC).
3. The Complaint alleged that Respondent violated the SDWA by exceeding the Permit limits for chloroform and trihalomethanes in violation of 40 C.F.R. §144.51(a). Complainant alleged that Respondent exceeded its permit limits from June 29, 2005, to July 21, 2005. Failure to comply with the UIC regulations found at 40 C.F.R. §§144 and 146 are violations of the SDWA, 42 U.S.C. § 300h.

4. Respondent admits that EPA has the jurisdictional authority to issue the Complaint and settle this case pursuant to this Consent Agreement, but does not admit or deny the remaining allegations, including the findings and alleged violations.

5. Respondent waives its right to a hearing before any tribunal, to contest any issue of law or fact set forth in the Complaint, or this Consent Agreement.

6. This Consent Agreement, upon incorporation into a final consent order, applies to and is binding upon EPA and upon Respondent and Respondent's heirs, successors and assigns. Any change in ownership or corporate status of Respondent, including, but not limited to, any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this agreement. This Consent Agreement contains all terms of the settlement agreed to by the parties.

7. Respondent consents and agrees to pay a civil penalty in the amount of two thousand five hundred dollars (\$2,500.00), in the manner described below in this Consent Agreement. Complainant's reduced penalty amount is appropriate considering Respondent's good faith efforts when Respondent immediately notified Complainant of the permit exceedances, and when Respondent took steps to correct the permit exceedances, which were determined to be caused by the use of a chlorinated bleach cleaning product after undertaking a testing and monitoring program. As a result of such good faith efforts, and Respondent's immediate actions to work with the EPA, Complainant finds that Respondent returned to its permit limits within 45 days of discovery of the violation. EPA finds that this penalty amount is appropriate after applying the statutory factors in section 1423(c)(4)(B) of the SDWA with the facts and circumstances of this case.

8. Respondent consents and agrees to pay the civil penalty as follows:

- a. Payment is due within 30 calendar days from the date of the Final Order issued by the Regional Judicial Officer that adopts this Consent Agreement. If the due date falls on a weekend or legal federal holiday, then the due date becomes the next business day. The date the payment is made is considered to be the date processed by Mellon Bank described below. Payments received by 11:00 AM. EST are processed on the same day, those received after 11:00 AM are processed on the next business day.
- b. The payment shall be made by remitting a cashier's or certified check, including the name and docket number of this case, for the amount, payable to "Treasurer, United States of America," to:

- c. In the event payment is not received by the specified due date, interest accrues from the date of the final order, not the due date, at a rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717, and will continue to accrue until payment in full is received. (i.e., on the 1<sup>st</sup> late day, 30 days of interest accrues).
- d. In addition, a handling charge of fifteen dollars (\$15) shall be assessed the 31<sup>st</sup> day from the date of the final consent order, and each subsequent thirty day period that the debt, or any portion thereof, remains unpaid. In addition, a six percent (6%) per annum penalty shall be assessed on any unpaid principal amount if payment is not received within 90 days of the due date (i.e., the 121<sup>st</sup> day from the date the final consent order is signed). Payments are first applied to outstanding handling charges, 6% penalty interest, and late interest. The remainder is then applied to the outstanding principal amount.
- e. Respondent agrees that the penalty shall never be claimed as a federal or other tax deduction or credit.

9. Nothing in this Consent Agreement shall relieve Respondent of the duty to comply with the SDWA and its implementing regulations.

10. Failure by Respondent to comply with any of the terms of this Consent Agreement shall constitute a breach of the consent agreement and may result in referral of the matter to the Department of Justice for enforcement of this agreement and for such other relief as may be appropriate.

11. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any collection action instituted as a result of Respondent's failure to perform pursuant to the terms of this Consent Agreement.

12. The undersigned representative of Respondent certifies that he is fully authorized to enter into the terms and conditions of this Consent Agreement and to bind the party he represents to the terms and conditions of this Consent Agreement.

13. The parties agree to submit this Consent Agreement to the Regional Judicial Officer, with a request that it be incorporated into a final order.

14. Each party shall bear its own costs and attorney fees in connection with this matter.

15. This Consent Agreement, upon incorporation into a final order by the Regional Judicial Officer and full satisfaction by the parties, shall be a complete and full civil settlement of the specific violations alleged in the Complaint.
